BLISS, 117 Thomas Strat. Is the only Agent for Different of the about the CLOTHES WRINGER, spril 15

R. B. EDBY. SOLICITOR OF PATENTS.

Lette Agent of U. S. Patent Office, Washington (under the Art of 1837.)

No. 76 State St., apposite Kilby St.,

No. 76 State St., apposite Kibly St.,

After an extensive positive of upwards of twenty tears, continue the recore Patents in the United State, also in Boat British, Tance, and other foreign countiles, Cavorte, specifications, Booth, Assignments, and all papers or Brachings for Patents, excent do in Bleed tents, and with dispotch, Recorder made into American or Frinciga works to determine the tolidity or utility of Patents or Instantons—and logal or other advice readered in all matters touching the same. Copies of the chains of any Patent lunckhed by remitting One Holler. Assignment recorded at Washington.

The Agency is not only the largest in New Empland, but through by inventors have advantages for securities Tatement of assertialing, the patentability of havendous unsurpose of by, it not huma soundly superior to any which can be officed them elsewhere. The Technomials below given prove that none is MORE SUCCESS-FULL ATTHE PATENT OFFICE than the other largest and SUCCESS IS THE BRET PROOF OF ADVANTAGES AND AMILITY, he would said the hear bother other of the lattice of the relativity of unity and continuous provential to a contential of the other chains and that or the charges for professional services so made and. The humanus practice of the relativity of unity and excitations and official decisions relative to patents.

These traitering twenty years post has enabled bin to accumulate a wast collection of specifications and official decisions relative to patents.

These traitering the extensive Burny of legal and machinal works, and full accounts of patents granted in the Emilia States and Europe, reader him assign to behing in processing proton, to other superior tabilities for obtaining Paterior, and the usual question, to other superior tabilities for obtaining Patentia.

TESTIMONIALS,
"Tregord Mr. Eddy as one of the most expeller and
energial practitioners with whom I have had official
information." CHARLES MASON

United to be shallen in searing inventors that the cambot employ a person more competent and function for how and ware considered nating that construction to their an early and awords considered and are carly and awords consideration of the Patent Office.

EDMOND BURKE, Late Commissioner of Patents.

Mr. R. H. Eddy has made for me THRTEEN copli-rations, on all but our of which paties have being granted, and that is now problers. Such unmiscloshible proof of great their and ability on this part leaks not ex-commend all inventors to apoly to bin to procue their patents as they may be state of leaving the mod-failthat alterition bestowed on their case, and at very transquable charges."

JOHN TAGGART. JOHN TAGGART.

During cight months the subartiber, in course of his large martice, made on twice rejected applications SIX TEEN APPEALS, EVERY ONE of which was decided in this faces, by the Commissioner of Patents.

R. H. EDDY.

Poston, Dec. 23, 1862.

A ALLANDIGHAMPS NOMINATION.

The nows of the doings of the recent Democratic Convention at Columbus, Ohio, has spend throughout our country, and the intelligauge less been carried on the wings of lightming, that a man of doubtful loyalty, to put it in the mildest form, has been nominated. " by seclamation," at a large meeting of Democrats, opinion that he would not live ten days. so called, for the effice of Governor of that

This transaction occurred in a large, flourishing, rich and influential State, and was accomplished by an assemblage of more than two this instance. The partizans of the nominee, Segment and others, very complacently regard not only, but also of saving his limb. this as what they please to denominate a reem Government, on account of the arrest and [extradition of Vallaudigham, from our own ally to be the fact. lines, beyond those of the rebels. They have tion and "all creation," generally, and have belon then all other ministrations. striven by all kinds of demogagacism and political wire pulling to exalt the said disby after into a martyr. But we suspect it will not succeed. The people of no portion of this free anstembered land, can be so blind as to be led by these boxes pates into the dangerous position of doubtful fidelity to this Union and this Government—No! Never! The true Democrats of the country will span these fides and the country will span the country will span these fides and the country will span the country will s semi-rebels, who assembled at Columbus on

which were engaged the purest, as well as bravest and most patriotic men who lever drew, the sword in the defence of human rights.

Now, if that is not an authoritative sanction of the predeedings against Vallandigham, and of demunciation against all other copperheads, expense of our independence, as thousands are now striving to make peace with the rebels at the expense of the Nation's honor as well as integrity. The language in which the domestic enemies of America are described in the language above quoted. is adapted to the copperhends of Ohio, and of the whole country, as well as any that could be framed by the most accomplished elogician.

There can be to doubt in regard to this whole matter. Else why is it we ask, emphatically, why is it, that throughout the length and breath of this country, in every village and bamlet as well as peopled cities, every man whose loyalty is doubtful, is, without exception a partizan of Vellen ligham, Seymour, Wood & Co.

Furthermore, we say in conclusion, that the question of peace, or war, of victory, or consiliation upon rebel terms, are vital ones, of reconciliation with the rebels, upon the dispraceful condition of further guarantees to of Friends. Southern demands in favor of their "peculiar It is to be hoped that these people, who are s institution to the sooner it is known and understo dithe better. If this is to be the result, by any degree of approximate probability, then young or those of "larger growth." in Contanante, let this terrible effusion of the blood of our countrymen-martyrs then, every one of them-be stopped.

But it can be, and in reasoning thus, we he might not be spared to gaze.

Local News Items.

BRIGADIER GESREAL T. W. W. SHERMAN.—The news in regard to the naturo and result of Gen. Sherman's injuries, would seem to be somewhat ecorer, as correct.

Mrs. Gen. Sherman went to New York on Monday, intending to leave for New Orleans on Tueskay, in the steamer Columbia.

On Thesday reletter was received here for her from was telegraphed to her, and which stated, that Gen. Sherman though in a critical condition. would probably recover, with the loss of the sunnded limb-tater intelligence from Lient. Gibbs gave more unfavorable accounts, stating that the limb had turned black, above the wound, and that Gen. Sherman himself expressed the

Then came the intelligence on the tenth inst., through rebel sources that the limb had been supplieded and that the General sorvived the Row, in that city. operation but a short time, and was dead,

To-day our despatches from New York, ner steamer direct from New Orleans, from which constitutions and a fit report is a truth teller, in place the sailed on the sixth instant, and arrived yesterday, state that he was alive at that date, Vallaralighum, and his compress—the Woods, and doing well, with a probability of recovering

This news although not so late as the relief desaction of public sentiment adverse to the pres- patches, is nevertheless more reliable as it is direct, ind we entertain hopes that it will provo eventu-

If this boso, Mrs. Sherman, who will reach times, beyond these of the rebels. They have Mew Orleans within a short time, will have the shed crockedile tears by whiskey-harrels full satisfaction of being enabled to minister in person, over what they are pleased to term a violation to her hasband's comfort in this time of his sufof personal liberty, Labous corpus, the Constitu- fering, when her prevence would be a greater

this Government—No! Never! The frue Democrats of the country will sparn these fidse pretenders and deay the attempted brotherhood. The issue was mule by the rebels, at the commencement of this rebellion, between freedom and slavery, and the moment it became evident that this issue was to be decided, and that too by force of sams, slavery was thought. The semi-rebels, who assembled at Columbus on with the injustice done to Gueschway substitute that the injustice of the case before we proceed to pass judgment upon the regard to the affair to justify us, even, in formation by force of sams, slavery was thought. The semi-rebels, who assembled at Columbus on stille, for the reason this billette vour semant less stillets, for the reason this billette vour semant less stillets, for the reason this billette vour semant less. wednesday, inaugurated the issure between toyalty and disloyalty, and the immediate battlefield is to be in Ohio, where the issue will be gladly accepted by the loyal Democrats as well as Republicans, and disloyalty is domed, not only in that State, but also in all the land.

There have improved upon which to stand with the least scentify. If the law of self-the the Rev Tork Express. with the least scenrity. If the law of self-

We publish the above communication in referpreservation, the first law of Nations as well as ecco to our Editorial of Thursday. We deem it of individuals, were not sufficient to protect proper, however, to followit with the remark that the Government from any deserved censure, we our Editorials are not interted by "secident or have the precedents not only of other Nations, toistakes," whatever other accidents or mistakes but of our own, in the days when it was strug- one paper may be liable to, is the leavy of a deily gling for being—the days of the Revolution in publication. We wrote what we bonestly believed to be true. We quoted from the New York Express, which seems to be the gravemen of the matter complained of by "U. L." As to that, we and that quile to squamish ourselves --In the year 1778, the Legislature of New York passed a bill directed against those who a ungratefully and insidiously by artful mistrepresentations, and a subtle dissemination of four the promadged the trath, and it suited our purpose, described and a subtle dissemination of four this a precious damand acough, to be plucked devening and apprehensions false in themselves and injurious to the American cause, seduced certain weak minded persons from the dairy they owed to their country. The bill was as follows:

The it Emercial dec. That all such men to required to take an oath of allegiance, which was prescribed in the set.

That if they refuse to take the oath they shall be adiabated coilly of mistrison of treason. In the year 1778, the Legislature of New We would quote from the gentleman in black, with * The it Emerted, etc. That all such men to required to take an oath of allegiance, which was prescribed in the set.

2. That if they refuse to take the oath they shall be removed to within the enemy's lines; and

2. That if they reform afterward they shall be saliaged gailty of misprison of treason.

Now if the in the commanding General who saliaged gailty of misprison of treason. military impossibility to take by assault, or in lany way, makes a usoless sucrifica of the lives of our men, is worthy of consure, and ought to receive il, we hare not whatever be his name, services, poas they are now called-tories then-we do silion or party. We claim this privilege, to speak not know what could be. This law was passed, plainly and boldly, in regard to all matters of a too, at just such an exigency, when thousands public interest, and if we err, it will be an error were for making peace with. Great. Britism at of the judgment, and mA by reason of any absence honesty of purpose.

> JUNE MEETING comes upon as under rather aufavorable circumstances, having the prospect of a South-east storm, which is always hard of the durance even to natives but especially so to visitors. A goodly number of friends have already arrived, both in the steamer Perry yesterday afternoon, and in the Bradford Durfee, which arrived here from Full River, at 7 o'clock last evening.

The Metropolis also landed a large number, later in the evening and there is a prespect of a large nttendance

It is a carious evidence to favor of the regular modes of fiving which are provolent among Friends, that among those who visit here annually at June Meeting, we observe many whose faces are familiar by reason of their oft visitations, and there are to be seen more persons of a links old age, among

and if the majority of this people are in favor republished twice for the special accommodation

are to be seen more persons of a hale old age, among them than amongst admost my other class of persons.

The communication signed, "Observer" we have republished twice for the special seconomodation and at the special reprost of members of the Society of Friends.

It is to be hoped that these people, who are so carful of the sights of others will be permitted to enjoy their religions ancerversary in their own way, without let or hindrance either from the young or those of "larger growth."

FALDER TILLISCHART, the celebrated Aprollo of Sunday Schools will be in foun to smally advice both paties to defer their acquirescence in the decisions of the Council; erorich to course of the day. He will be at Zion Church in the Christian and Ministerial character of Rev. S. Addam. feel that we approach too shudderingly near the morning at 9 o'clock, the United Congregathat drant aliys of a disrupted Nation, down tional at noon, the Unitarian at mon an hour which, the farmerful Webster prayed Heaven later than the Congregational, and at the Central Babtist Church in the evening.

TREATRICAL. - The Dramatic Company now performing in this city seem to be inboring under the disadvantage of unfavorable weather, but, not- pure wine in the market. We have reference to with-funding, the house last evening was well filloutlieting but we are inclined to receive the news ed, and, had the weather been favorable, would by telegraph to-day, per steamer from New Orleans, have been jammed. The merits of the performwhich aunounces that he was alive and likely to ers, however, triumphs over all obstacles, and there will doubtless be a crowd to night, at a bleh ably disappointed in finding it one of the most time there will be an entire change of programme. The performance will commoned with the Musical Extravaganza of "Jenny Lind"; Miss Kate Pish-er taking the part of "Jenny." This will be fol-Gen. Emery, in command at New Orleans, which owed by the Country of "Family Jare." The prepares it by a new process peculiar to himself whole will conclude with the Yankee Parce of the p"Wood Dealer.', There will, also, he a song by Miss Bidwell, and a Yankee dance by Miss Bacon found its way to London and Paris. and Harry Lampse. There will be snother and last performance on Monday evening 1901, which will be a benefit occasion to Miss Kata Fisher.

Hox. WM. P. Sugrersen of this city has brought

wit:—
G. B. Ide, D. D. of Springfield, Maso.; E. T. Histor, D. D. of New York; R. Jeffery, D. D. of Phibadelphia; Alvah Hovey, D. D. of Newton Centre, Mass; Revo. Win. Phillips, A. H. Granger, Win. S. McKenzio, and A. J. Padelford, of Providence; and E. Bell, of Wickford, Rhede Island; Revs. C. H. Molcom, and H. E. Robius, of Newport; and brother A. M. Grannell, of Worren;

statees in which cases prospectively done wrong.
The Connect in their occasions have need thom-selves bound to these conditions, and, in according one of therewith present the following as their regions of the conditions are supported by the conditions of the cond

Preliminarily it was resolved that we understand Preliminarily it was resolved that we understand the first question submitted by the aggriced parties to this Council to be, in substance, as follows: Has the Church, in the course of discipling which it has pursued in reference to its aggriced incurber, acted in accordance with the law of Christ, as generally understood and practiced by Baptists, and that we so interpret the second question also.

1. Resolved, That in our judgment the Church has a right to investigate the failure of any one of its members, so for on it is understood to affect his moral and chairting character.

2. Resolved, That the course of the Church in appointing a Committee to investigate the runners.

b. Resolved. That according to the evidence before us we approve the action of the Church in exonerating life. A. J. Ward, from blame in the matter of life failure. A. J. Ward in the proving out of the failure of Bro. A. J. Ward and the action of the Church, after the affair had been settled by the Church, was unjustifiable in either party.

party. 7. Resolved, That while we connot approve

7. Resolved. That white we cannot approve the course of the Paster in reading before members of the Chirch private correspondence partaining to a matter already settled, we nevertheless consider two of time A. J. Ward's letters as highly reproducishle in language and spirit.

8. Resolved, That it is an established principle of Raptists that the Chorch of Christ is subject only to spiritual power, as made known in the Scriptures, and that we re-align the cardinal truth that a Church cannot be made amenable to any civil, or other organization, beyond its own communion.

9. Resolved, That the conduct of public wor-

9. Resolted, That the emblect of public worship and occupancy of the publit ought seconding to our views of the law of Christ to be entirely under the direction and control of the Gaurch, 10. Resolved, That the conduct of those besteren who acted in a capacity distinct from their Charch relation to initiate and complete measures for the tenoral of their Paston, merited censure, and justly subjected them to the discipling of the Church.

pline of the Charch.
11. Resolved, That we disapprove of the action of the Charch on the 18th of August, 1852, in suspending a number of its members not walking with the Charch, as it was done apparently for a

The Border Hrigands.
[From the St. Louis Republican, June 8.

Hox. Wh. P. Sheffirm of this city has brought an action against the city of New York, in which the damages are feld at \$25,000 for injuries anstained in falling over the stump of a tree in Park Row, in that city.

Printegen by Hegrest.—We publish the following report of the Ercksistical Council, by particular request, as our colition of yesterday was short of the supply:

At an Ecclosistical Council, called by the First Baptist. Church and electric many and softens now or recently members of said Church, convened in this city on the with 10th and 14th convened in this city on the with 10th and 14th. infabilitaris in the Miscouri border countries with a register of the number three years ugo. Desolution and desertion are printed in the sadost colors all over that ravaged tract of country. The Missouri border having been pretty thoroughly baid was to, the brigands are now paving their attention to the Kansas border. The interchants' caravines on the Santa Fa ball hold out strong temptations to these tascads, who wary their occupation of robbing stores, burning houses, and mardering pascedes actives in Kansas, by ussaiding and robbing the trains to Now Mexico. A home further range of the Redount Araba would be about as after and agreeable as one in this header country. It would seem that it must take some time and the most stringent measures of a leadess Government before that country can be again the fit shade of civilized man.

deves; and E. Bell, of Wickford, Rhode Island, Revs. C. II. Molecus, and H. E. Robins, of Newport; and brother A. M. Grannell, of Warren:—

The following preamble and resolutions were anendmonity adopted, and reported to the pattice in interest on the norming of file 11th inst.

Excour.

In presenting the result of their deliberations the Council would express their deep thankibless to God, that in a matter of such vest importance, involving so meny squarate and difficult questions, bit guidance, as they believe, has led then to perfect unashindly in all the conclusions to which they lave strived. And they cannot but regard this unknowed for feat as in dark a presage that distinction for feat as in dark a presage that disconsisted to their advice.

The Council convened in a private session last evening at 8 o'clock, and owing to the extent of their labors, and the entangled state of the difficulties intolved, and those which they wished the Council to consider.

The aggrieved prefer mutually squeed that the following statements presented the substance of the difficulties intolved, and those which they wished the Council to consider.

The aggrieved prefer mutually squeed that the following statements presented the substance of the difficulties intolved, and those which they wished the Council to consider.

The Had the Church a vight, in secondance with the laws of Christ, to he as they have done in the same law, to do us they have done?

The Council matter of each is a which they almost the feet of the file of the fil

WAR ITEMS VIA WASHINGTON.

(Washington Tribuna.) Five deserters who came within our lines on the Rappubannock yesterday reports that Gen. Lee is marching with his whole force up the River, a statement which is continued by other evidences. The observations of our aerotent are somewhat hazardous in these days. One who wont up in the belleon near the Wrotten House at 7 o'clock this morning was adminished to descend by the rebels who opened a brisk fire upon the belleon with shells. With this exception all was quiet along the fount in to 19

brisk fire upon the balloon with shells. With this oxception all was quiet along the front up to 12 miles above Banks Ford this morning.

A son of the rebel navy who was confured in the recent fight conferent that our envelop forces whipped Fitz Hugh Leo at Brandy Station.

Gen. Hooker has published the following circults solding: raptured to a

to his soldiers:

Heauquarters Army of the Potomao,

Wednesday, June 10 1643.

Brig. Gen. Pleasanton is in continued of a rayalty force madering about six. thousand supported by the columns of infastry under the command
of Gen. Russell and Amer yesterday. Ind a sovere it
engagement near Brandy Sixtian with the enomy's cavalry estimated at 12,000 men, which he so
seriously crippled, that the erony were unable to lifollow bins when at the close of the day he returned to the morth side of the Rappahannock. Gen.
Pleasanton reports that bis men behaved in the
most gallant manner, handsomaly driving back
superior forces of the enemy. Over two hundred prisoners and one flag was captered.

(Signed,)

D. S. WILLIAMS

(Sigued.) D. S. WILLIAMS Asst. Adjt. General.

Asst. Adjt. General.

The Union manifestions for Governor of Olifo will probably be flowener Told the present incumbant or Ex Congressman John A. Hingham. The elatement that Admiral Farragut has asked to be releived and is so be succeeded by Admiral Ballgren is utterly without foundation. Admiral Farragut has not made the request alleged for would the department be willing to spare the old war horse from active duties. If Admiral Dablgren leaves the Bureau of which he is now shief for active services any where it will be in the walwound the department os willing to spare the old war borse from active Anties. If Admiral Dabl-grou leaves the Bureau of which he is now which for active services any where it will be in the waters of South Carolina and under Admiral Fonte. Should he go thither it will not be for some time to come. Experimente are going on at the Navy yard with a view to determine how heavy a charge the Dabligren 11 inch and 15 inch guiss with which our monitors armed will bear. When the attack was made upon Charleston both and particularly the latter hed not been fully treted and prodence was deemed the better part of valut. (Herald Special.) Camp across the Ruppalastinesk below Frederickshorg June 12th. The telest continued the barbarous practide of firing on our pickets yesterday. An additional detail of Markamen from the Androw sharpshowers were consequently employed in picking off the peata and doring the day they brought down half a doz on or more of them.

Headquarters—army of the Potomac 12th.

en or more of them. Headquarters army of the Potomac 13th. Affairs remain unchanged across the river below Fredericksburg and little picket fring is indulged in and occasionally the stillery opens but without effect. From the upper fords we have no news of importance. All feel confident that we can had our notifion acousts are force that the guarant may importance. All feel continent that we can unnul position against any force that the enemy may bring upon us. All is quiet on the Rappahannuck.

FROM NASSAU.

New York, June 13.

Messau popers me sigain indignant. The gunboat lithode Island had classed the Steamers Margaret and Jessie and Steamer Strius within the prescribed limits of maritime law firing full broadsides at one of them which ploughed up the grounds near the dwellings on shore and wounded two lishermen. Adapterous explosion was weapon was shipped from Nassau for Charleston, and the former was thrown overboard by order of the Capitain near Chaptelon. The concustion produced by its fall in the water exploded it, and the Steamer was badly damaged and Capt. Wilson userly killed.

Steamer Fort Wayne from Youngs Point brings no later dates from Vicksburg than the 8th inst.

No gurrilles were seen on the way up.
The fight of Milkens Bend on Sinnday last was a very sanguluary affair truch larger than at first reported. The rebels under McLallough 2500 strong advanced upon the federal forces composed of three negro regiments the 2al Iwos Volunicers. The rebels made a desperate charge at daylight. The negroes broke in confusion but binding that their captured companions were being slanghtered by the rubels radied with great desperation and drove the rebuls back. The lasts heavy on both sides. Guerrillas destroyed portions of the rail-road track near Germantown last night. The damage they did was slight and will soon be repaired. The rebel forces in North Mississippi baye been sent to reinforce Gen. Joe Johnston.

FROM INDIANA.

The commercial has a special dispatch from Ibdianapolis dated the 12th incl. which says the munderer of Provost Marshal Stevens were atrested and brought here to-day. A man was burg till almost lifeless by a crowd of cacited efficens to-day in the vicinity of the number for using traiteons language. A company of cavalry has been sent to Jofferson county Indiana to aid the curollment.
